BROOKLYN CHARTER SCHOOL (THE)Section Heading

Financial Information

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

1. Total Expenditures Per Child

To calculate **'Total Expenditures per Child'** take total expenditures (from the unaudited 2018-19 Schedule of Functional Expenses) and divide by the year end FTE student enrollment. (Integers Only. No dollar signs or commas).

Note: *The information on the Schedule of Functional Expenses on pages 41-43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations:*

Audit Guide available within the portal or on the NYSED website at: <http://www.p12.nysed.gov/psc/regentsoversightplan/otherdocuments/auditguide2018.pdf>.

Line 1: Total Expenditures	4226367
Line 2: Year End FTE student enrollment	204
Line 3: Divide Line 1 by Line 2	20616

2. Administrative Expenditures per Child

To calculate '**Administrative Expenditures per Child**' To calculate "Administrative Expenditures per Child" first *add* together the following:

1. Take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the unaudited 2018-19 Schedule of Functional Expenses)
2. Any contracted administrative/management fee paid to other organizations or corporations
3. Take the total from above and divide it by the year-end FTE enrollment. The relevant portion that must be included in this calculation is defined as follows:

Administrative Expenditures: Administration and management of the charter school includes the activities and personnel of the offices of the chief school officer, the finance or business offices, school operations personnel, data management and reporting, human resources, technology, etc. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation. Do not include the FTE of personnel whose role is to directly support the instructional program.

Notes:
The information on the Schedule of Functional Expenses on pages 41-43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations:
<http://www.p12.nysed.gov/psc/AuditGuide.html>.
Employee benefit costs or expenditures should not be reported in the above calculations.

Line 1: Relevant Personnel Services Cost (Row)	605470

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Brooklyn Charter School

Report on the Financial Statements

We have audited the accompanying financial statements of the Brooklyn Charter School ("the School"), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Brooklyn Charter School as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

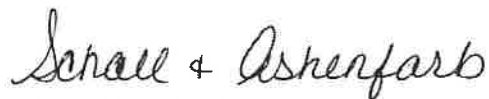

As discussed in Note 2 to the financial statements, the School adopted Accounting Standards Update ("ASU") No. 2016-14, Not-for-Profit Entities (Topic 958): *Presentation of Financial Statements of Not-for-Profit Entities*. Our opinion is not modified with respect to this matter.

Report on Summarized Comparative Information

We have previously audited the School's 2018 financial statements, and we expressed a qualified audit opinion on those audited financial statements in our report dated October 26, 2018. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2018 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 25, 2019, on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

**BROOKLYN CHARTER SCHOOL
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019**

Note 1 - Organization and Nature of Activities

Brooklyn Charter School ("the School"), located in Brooklyn, New York, is a not-for-profit education corporation chartered by the Board of Regents of the State of New York. The School provides a full range of educational services appropriate for grade levels K, 1, 2, 3, 4 and 5. The School completed the 2018-2019 fiscal year with an average enrollment of approximately 205 students. The School is a publicly funded, privately managed school, which is independent of the New York City Department of Education ("NYCDOE").

On June 21, 2011, the Board of Regents of the State of New York, for and on behalf of the State Education Department, extended the provisional charter up through and including June 30, 2016. On February 24, 2016, the Board of Regents granted an extension of the Charter up through and including June 30, 2019.

The School has been notified by the Internal Revenue Service that it is a not-for-profit organization exempt from Federal income tax under Section 501(c)(3) of the Internal Revenue Code and has not been determined to be a private foundation.

The School is the sole member of The Wedding Garden, Inc. ("WG"), an organization exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. To satisfy requirements of NYCDOE to report financial information on activity of charter school separate from non-operating activity, the School has elected to treat its sole membership as an investment under the equity method, which differs from accounting principles generally accepted in the United States of America ("U.S. GAAP"). Under U.S. GAAP, organizations are required to consolidate financial statements of both entities and to eliminate intercompany transactions. During 2018 WG has taken initial steps to liquidate itself, therefore the investment is not considered to have any value as of June 30, 2018. The statement of activities for the year ended June 30, 2018 reflects a write-off of this investment.

Note 2 - Significant Accounting Policies

a. Basis of Accounting

The financial statements of the School have been prepared on the accrual basis of accounting, which is the method of recognizing revenue and expenses when earned or incurred regardless of when cash is received or paid.

Effective January 1, 2018, the School adopted the requirements of the Financial Accounting Standards Board's Accounting Standards Update No. 2016-14 – Not-for-Profit Entities (Topic 958): *Presentation of Financial Statements of Not-for-Profit Entities* (ASU 2016-14). This standard addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return between not-for-profit entities. A key change required by ASU 2016-14 is the net asset classes used in these financial statements. Amounts previously reported as unrestricted net assets are now reported as net assets without

donor restrictions and amounts previously reported as temporarily restricted net assets and permanently restricted net assets are now reported as net assets with donor restrictions. A footnote on liquidity has also been added (Note 13). Amounts previously reported as investment expense on the statement of functional expenses are now included in investment return on the statement of activities. The changes required by the update have been applied retrospectively to all periods presented.

b. Basis of Presentation

The accompanying financial statements have been prepared using the accrual basis of accounting, which is the process of recognizing revenue and expenses when earned or incurred rather than received or paid.

Not-for-profit organizations report information regarding its financial position and activities according to specific classes of net assets, as follows:

- *Net Assets Without Donor Restrictions* – accounts for activity without donor-imposed restrictions.
- *Net Assets With Donor Restrictions* – relates to activity based on specific donor restrictions that are expected to be satisfied by the passage of time or performance of activities.

c. Revenue Recognition

Public school district revenue is recognized based on rates established by the School's funding source and the amount realizable on the accrual basis in the period during which services are provided.

All government grants have been recognized as income when earned, either based on performance of certain milestones or by incurring expenses that can be reimbursed under the terms of the grant agreement. The difference between cash received and revenue recognized is reflected as government grants receivable or refundable advances.

Contributions are recorded as revenue at the earlier of the receipt of cash or when pledges are considered unconditional in nature. Contributions are available for unrestricted use, unless specifically restricted by the donor, in which case they are recorded in the class of net assets with donor restrictions.

Contributions expected to be received within one year are recorded at net realizable value. Long-term pledges are recorded at fair value using a risk adjusted discounted rate. Conditional contributions are recognized as income when the conditions have been substantially met.

d. Cash and Cash Equivalents

Checking and money market accounts with local banks and highly liquid debt instruments purchased with a maturity of three months or less are considered to be cash and cash equivalents for purposes of the accompanying statement of cash flows. Cash maintained in escrow per requirements of NYCDOE are treated as restricted cash.

e. Investments

Investments are recorded at fair value, which refers to the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Realized and unrealized gains and losses are recognized in the statement of activities.

f. Fixed Assets

Fixed assets are stated at cost or fair value at the date of the gift, if donated. The School capitalizes fixed assets in excess of pre-defined amounts that have a useful life of more than one year. Depreciation is computed using the straight-line method over the estimated useful life of each asset, which generally ranges between 5 and 7 years.

g. Contributed Space

The School's operations are located in a facility provided by NYCDOE at a charge of \$1.00 per annum and utilizes approximately 13,750 square feet. As such, the School has recorded the estimated fair value of this space as in-kind revenue and expense in the financial statements.

h. Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the accompanying financial statements. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management on an equitable basis.

The following expenses were allocated using time and effort as the basis:

- Salaries
- Employee benefits and payroll taxes
- Office expenses
- Insurance
- Rent and utilities
- Depreciation

Certain program expenses have been allocated between Regular Education and Special Education based on student FTE rates. All other expenses have been charged directly to the applicable program or supporting services.

i. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

j. Summarized Comparative Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the School's financial statements for the year ended June 30, 2018, from which the summarized information was derived.

k. Accounting for Uncertainty in Income Taxes

The School does not believe its financial statements include any material, uncertain tax positions. Tax returns for periods ending June 30, 2016 and later are subject to examination by applicable taxing authorities.

l. New Accounting Pronouncement

The Financial Accounting Standards Board (FASB) issued an Accounting Standards Update (ASU) No. 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The ASU which becomes effective for the June 30, 2020 year, provides guidance on whether a receipt from a third-party resource provider should be accounted for as a contribution (nonreciprocal transaction) within the scope of Topic 958, Not-for-Profit Entities, or as an exchange (reciprocal) transaction.

In addition, FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers*. The ASU, which becomes effective for the June 30, 2020 year, focuses on a principle-based model. It highlights the identification of performance obligations of the contract, determining the price and allocating that price to the performance obligation so that revenue is recognized as each performance obligation is satisfied. This ASU does not apply to contributions.

The School is in the process of evaluating the impact these standards will have on future financial statements.

m. Subsequent Events

Management has evaluated for potential recognition and disclosure events subsequent to the date of the statement of financial position through October 25, 2019, the date the financial statements were available to be issued. No events have occurred subsequent to the statement of financial position date, through our evaluation date, that would require adjustment to or disclosure in the financial statements.

Note 3 - Investments

Accounting standards have established a fair value hierarchy giving the highest priority to quoted market prices in active markets and the lowest priority to unobservable data.

The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1 – Valuations based on unadjusted quoted prices in active markets for identical assets or liabilities that the School has the ability to access.

Level 2 – Valuations based on quoted prices in markets that are not active or for which all significant inputs are not observable, either directly or indirectly.

Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

Investment balances consist of the following:

	<u>June 30, 2019</u>			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Money markets	\$20,033	\$20,033	\$0	\$0

Total	<u>\$1,831,462</u>	<u>\$1,831,462</u>	<u>\$0</u>	<u>\$0</u>

Level 1 securities are valued at the closing price reported on the active market that they are traded on.

These methods produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. The use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements.

Cash receipts	<u>(3,446,087)</u>	<u>(2,991,887)</u>
Ending grants receivable	<u>\$10,038</u>	<u>\$13,418</u>

Note 5 - Employee Loans Receivable

In November 2014, the School entered into a loan agreement with an employee for the tuition costs of a math leadership program. The loan balance may be forgiven by the School under certain conditions at various intervals through June 30, 2019.

In June 2018, the School provided a loan to another employee in the form of a staff advance. This loan is set to be repaid in 26 installments, which corresponds to one full year of salary deductions.

Note 6 - Restricted Cash

An escrow account has been established to meet the requirement of NYCDOE. The purpose of this account is to ensure sufficient funds are available for an orderly dissolution or transition process in the event of termination of the charter or school closure.

Note 7 - Fixed Assets

Fixed assets consist of the following:

	<u>6/30/19</u>	<u>6/30/18</u>
Furniture and equipment	\$568,492	\$546,041
Less: accumulated depreciation	<u>(512,902)</u>	<u>(482,501)</u>

Total	<u>\$396,913</u>	<u>\$45,119</u>	<u>(\$22,054)</u>	<u>\$419,978</u>

Note 9 - Endowment Funds

Included in the investment funds is a contribution from a related entity, Sheltering Arms Children's Service ("SACS"). Pursuant to its plan of dissolution and distribution of assets, which was approved by the Supreme Court of the State of New York, the School was required to establish a donor-restricted endowment in perpetuity.

Interpretation of Relevant Law

The School follows New York Prudent Management of Institutional Funds Act ("NYPMIFA"), which the board of directors has interpreted to require certain amounts to be retained in perpetuity. Absent explicit donor stipulations to the contrary, the fair value of the original gift as of the gift date for all donor-restricted endowment funds will be preserved. However, under certain circumstances, the School has the right to appropriate for expenditure the fair value of the original gift in a manner consistent with the standard of prudence specifically prescribed by NYPMIFA.

As a result of this interpretation, the School classifies as donor-restricted in perpetuity (a) the original value of gifts donated to the endowment, (b) the original value of subsequent gifts to the endowment, and (c) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

Absent any specific donor-stipulations, endowment earnings are classified as donor restricted net assets until those amounts are appropriated for expenditure by the School.

Spending Policies

In accordance with NYPMIFA, the following factors are considered in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund;
- (2) The purposes of the School's mission and the donor-restricted endowment fund;
- (3) General economic conditions;
- (4) The possible effect of inflation and deflation;
- (5) The expected total return from income and the appreciation of investments;
- (6) Other resources available;
- (7) The investment policies;
- (8) Where appropriate and circumstances would otherwise warrant alternatives to expenditure of the endowment fund, giving due consideration to the effect that such alternatives may have.

The board made no appropriations from the endowment during the years ended June 30, 2019 and 2018

Endowment Investment Policies

Endowment assets were pooled with other investments until the School adopts an investment policy.

Funds with Deficiencies

From time-to-time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or NYPMIFA requires to be retained as a fund of perpetual duration. There were no such deficiencies at June 30, 2019 and 2018.

Changes in endowment net assets can be summarized as follows:

	<u>June 30, 2019</u>		
	<u>Endowment Corpus</u>	<u>Endowment Earnings</u>	<u>Total</u>
Endowment net assets, beginning of year	\$366,667	\$45,365	\$412,032

Endowment net assets, end of year	<u>\$366,667</u>	<u>\$45,365</u>	<u>\$412,032</u>

Note 10 - Retirement Plan

The School sponsors a 401(k) profit sharing plan. Employees at least 21 years old are eligible to participate. The School's contributions are determined annually, on a discretionary basis, which was 4% through the years ended June 30, 2019 and 2018. The total amount of employer contributions was \$29,196 and \$74,006 for the years ended June 30, 2019 and 2018, respectively.

Note 11 - Commitments and Contingencies

On July 1, 2005, the School and NYCDOE signed a facility shared use agreement for the use of certain dedicated space within a New York City public school. The agreement has been renewed on a year-to-year basis. NYCDOE provides various operating services to the School including utilities, custodial and maintenance services, and charges a user fee of \$1.00 per annum. See Note 2g for contributed space disclosure.

Government contracts are subject to audit by the grantor. Management does not believe that any audits, if they were to occur, would result in material disallowed costs, and has not established any reserves. Any disallowed costs would be recorded in the period notified.

In the normal course of business, the School is involved in proceedings, lawsuits and other claims. These matters are subject to many uncertainties, and outcomes are not predictable with a high degree of assurance. Consequently, the ultimate aggregate amount of monetary liability or financial impact with respect to these matters as of June 30, 2019 cannot be ascertained. Management believes that the final outcome of these matters will not have a material impact on the financial statements of the School.

Note 12 - Significant Concentrations

Financial instruments, which potentially subject the School to concentration of credit risk, consist of cash, money market accounts and investment securities. The School places its temporary cash and money market accounts with financial institutions that management deems to be creditworthy. At times, balances may exceed federally insured limits. At year end, there were no significant uninsured balances. The market value of investments is subject to fluctuation; however, management believes the investment policy is prudent for the long-term welfare of the School.

The School is dependent upon grants from NYCDOE to carry out its operations. Revenue from NYCDOE was 71% and 70% of the School's total public support and revenue in 2019 and 2018, respectively.

Note 13 - Liquidity and Availability of Financial Resources

The School maintains cash on hand to be available for its general expenditures, liabilities, and other obligations for on-going operations. As part of its liquidity management, the School operates its programs within a board-approved budget and relies primarily on NYC per pupil funding to fund its operations and program activities.

The following reflects the School's financial assets at December 31, 2019 that are available to meet cash needs for general expenditures within one year:

Cash and cash equivalents	\$96,691

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING
STANDARDS**

To the Board of Trustees of
Brooklyn Charter School

Report on the Financial Statements

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Brooklyn Charter School ("the School"), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the financial statements, and have issued our report thereon dated October 25, 2019.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

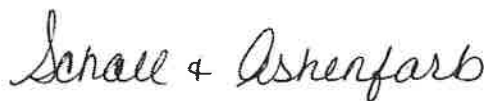

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**BROOKLYN CHARTER SCHOOL
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
JUNE 30, 2019**

Current Year:

None

Prior Year Follow-Up:

2018-001 – This condition has been resolved

Observations and Recommendations

To the Board of Directors of
Brooklyn Charter School

As a result of our audit for the year-ending June 30, 2019, we want to provide an update on recommendations from our prior audit:

I – Follow-up of Prior Year Comments - Resolved

Board Governance Matters

In prior years, we had recommended that a comparability study be made for the Head of School and that the compensation be reviewed and approved by independent persons of the board of directors. We also recommended that the decision on compensation be documented contemporaneously, such as in minutes of the board meeting.

Follow up for fiscal year 2019: The auditor noted that the Board conducted a compensation analysis utilizing information received from a compensation survey produced by the NYC Charter School Center. This was documented in the Board minutes.

Policies

During the prior audits we have recommended that you adopt or modify the following policies:

- Document retention policy
- Conflict of interest policy
- Operating reserve policy

Follow up for fiscal year 2019: The auditor noted that the Board adopted these policies during the year.

II – Follow-up of Prior Year Comments – In Progress

Endowment Regulations

Endowment laws in New York State require that all charitable organizations create investment policies that address the factors below when making decisions about the appropriation of endowment assets:

- The duration and preservation of the endowment fund
- The purpose of the organization and the endowment fund
- The general economic conditions
- The possible effects of inflation or deflation
- The expected total return from income and the appreciation of investments
- Other resources of the institution
- Alternatives to expenditure of endowment fund giving due consideration to the effect that such alternatives may have on the institution
- The investment policy of the institution

In prior years, we had recommended that investment policies be developed that outline the parameters of risk strategies for any investments made, that the factors for appropriation for program or operational spending conform to the new endowment laws and include the requirement that the process for determining the independence of the investment manager be documented each year.

Follow up for fiscal year 2019: While the School did update its investment policy, it does not appear to have addressed concerns regarding complying with NYPMIFA.

This report is intended solely for the information and use of the audit and finance committee, the board of directors and management and others within the organization and is not intended to be and should not be used by anyone other than these specified parties.

This representation letter is provided in connection with your audit of the financial statements of the Brooklyn Charter School, which comprise the statements of financial position as of June 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 25, 2019, the following representations made to you during your audit.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 20, 2019, including our responsibility for the preparation and fair presentation of the financial statements, in accordance with US GAAP.
2. The financial statements referred to above are fairly presented in conformity with U.S. GAAP.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.

5. Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable. This specifically includes the methodology for the statement of functional expenses.
6. There have been no related party relationships or transactions that are required to be accounted for or disclosed in accordance with the requirements of U.S. GAAP.
7. There are no events subsequent to the date of the financial statements which require adjustment to or disclosure in the financial statements to be in accordance with the requirements of U.S. GAAP.
8. There were no uncorrected misstatements that are material, both individually and in the aggregate, to the financial statements as a whole.
9. There were no known actual or possible litigation, claims, and assessments required to be accounted for and disclosed in accordance with U.S. GAAP.
10. There was one material concentration required to be disclosed in accordance with U.S. GAAP related to the New York City Department of Education Funding.
11. There were no guarantees, either written or oral, under which the organization is contingently liable, that are required to be recorded or disclosed in accordance with U.S. GAAP.

Non-Attest Services

In regard to the non-attest services provided by you, we have:

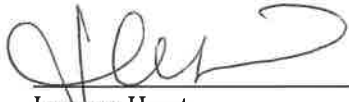

1. Assumed all management responsibilities.
2. Designated an individual with suitable skill, knowledge, or experience to oversee the services.
3. Evaluated the adequacy and results of the services performed.
4. Accepted responsibility for the results of the services.

As part of your audit, you prepared the draft financial statements and related notes and schedule of expenditures of federal awards. We have designated an individual with suitable skill, knowledge, or experience to oversee your services and have assumed all management responsibilities. We have reviewed, approved, and accepted responsibility for those financial statements and related notes.

Information Provided

1. We have provided you with:
 - a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters.
 - b) Additional information that you have requested from us for the purpose of the audit.
 - c) Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
 - d) Minutes of the meetings of the governing board or summaries of actions of recent meetings for which minutes have not yet been prepared.
2. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
3. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
4. We have no knowledge of any fraud or suspected fraud that affects the organization and involves:
 - a) Management,
 - b) Employees who have significant roles in internal control, or
 - c) Others where the fraud could have a material effect on the financial statements.
5. We have no knowledge of any allegations of fraud or suspected fraud affecting the organization's financial statements communicated by employees, former employees, grantors, regulators, or others.
6. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
7. We are not aware of any pending or threatening litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
8. We have disclosed to you the identity of the organization's related parties and all the related party relationships and transactions of which we are aware.
9. The organization has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral.
10. We are responsible for compliance with the laws, regulations, and provisions of contracts and grant agreements applicable to us; and we have identified and disclosed to you all laws, regulations and provisions of contracts and grant agreements that we believe have a direct and material effect on the determination of financial statement amounts or other financial data significant to the audit objectives.

11. Brooklyn Charter School is an exempt organization under Section 501(c)(3) of the Internal Revenue Code. Any activities of which we are aware that would jeopardize the Organization's tax-exempt status, and all activities subject to tax on unrelated business income or excise or other tax, have been disclosed to you and appropriately reported. All required filings with tax authorities are up-to-date.
12. There have been no instances that have occurred, or are likely to have occurred, of fraud and noncompliance with provisions of laws and regulations that we believe have a material effect on the financial statements or other financial data significant to the audit objectives, and any other instances that warrant the attention of those charged with governance.
13. There have been no instances that have occurred, or are likely to have occurred, of noncompliance with provision of contracts and grant agreements that we believe have a material effect on the determination of financial statement amounts or other financial data significant to the audit objectives.
14. There have been no instances that have occurred, or are likely to have occurred, of abuse that could be quantitatively or qualitatively material to the financial statements or other financial data significant to the audit objectives.

Instructions for Reporting Enrollment and Retention Strategies

Describe the efforts the charter school has made in 2018-19 toward meeting targets to attract and retain enrollment of students with disabilities, English language learners/Multilingual learners, and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2019-20.

BROOKLYN CHARTER SCHOOL (THE)Section Heading

Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Recruitment Efforts in 2018-19	Describe Recruitment Plans in 2019-20
Economically Disadvantaged	In an effort to increase equity and access to various special student populations, Brooklyn Charter School requested a non-material change to its charter in 2017-18 in order to add lottery preferences to attract, retain, and meet/exceed enrollment and retention targets as prescribed by the Board of Regents and the board of trustees of the State University of New York. The Brooklyn Charter School Board of Trustees elected to give annual lottery preferences to students eligible for the Free/Reduced Lunch Program (FRLP's). For the 2018-19 public lottery, students deemed economically disadvantaged received preference in the school's lottery. The lottery preferences apply to all Brooklyn Charter School kindergarten applications and other grades (1-5) with available seats. BCS also continued its annual outreach to Day Care Centers, Nursery & Pre-K Schools and Community Centers throughout Bedford-Stuyvesant, Bushwick, East New York, Crown Heights and Clinton-Hill/Fort Greene. BCS created a position in 2018-19 titled, "Recruitment Coordinator." This knowledgeable bilingual staff member was responsible for reaching out within the community on a bi-monthly basis beginning	For the 2019-20 school year, BCS will continue its outreach utilizing the Recruitment Coordinator who will continue to be devoted to outreach bi-monthly to Day Care Centers, Nursery & Pre-Schools and Community Centers throughout Bedford-Stuyvesant, Bushwick and East New York beginning in November. This staff member will continue to distribute promotional packages that contain information about the school and our programs, open houses and tours, as well as, hard copies of the application. BCS will continue to foster relationships with these organizations in order to have a platform to give presentations. English Language Learners/Multilingual Learners	<p>In an effort to increase equity and access to various special student populations, Brooklyn Charter School requested a non-material change to its charter in order to add lottery preferences to attract, retain, and meet/exceed enrollment and retention targets as prescribed by the Board of Regents and the board of trustees of the State University of New York. The Brooklyn Charter School Board of Trustees elected to give annual lottery preferences to English Language Learners (ELL's). For the 2018-19 public lottery, students deemed English Language Learners received preference in the school's lottery. The lottery preferences apply to all Brooklyn Charter School kindergarten applications and other grades (1-5) with available seats. BCS also made an effort to attract English language learners sending its Recruitment Coordinator to advertise within the community by visiting day care programs to speak with parents about BCS and our ELL program as well as distribute applications. Applications for the school were created in English with a translation in Spanish, to attract families within the community whose primary language was not English. These applications were also made accessible on the school's website. BCS placed advertisements in local newspapers such as El Diario to ensure further outreach to the Spanish speaking populations in our district. Retention Efforts Toward Meeting Targets

	Describe Retention Efforts in 2018-19	Describe Retention Plans in 2019-20
--	---------------------------------------	-------------------------------------

Economically Disadvantaged	<p>Because BCS is located in one of the most underserved communities of New York City, recruitment efforts in Bedford-Stuyvesant neighborhood, as well as, Bushwick and East New York have resulted in BCS having 80% of students considered economically disadvantaged. BCS is a fully inclusive school that reflects a family-oriented culture where students and families feel supported academically, socially and emotionally. BCS offered free breakfast and lunch for all students in 2018-19. The school hosted a family orientation in September so that families were able to meet teachers and faculty in order to become familiar with the school's curriculum and offerings. The school employed two deans that focused on positive reinforcement and restorative justice. The school had Success Assemblies quarterly and Harambee community meetings monthly that highlighted the BCS Cornerstones, affirmations, student birthdays and much more. While the school is focused on positive narration, BCS did monitor disciplinary practices closely. BCS hosted an after school program two days per week beginning in January that supported students in grades 3-5 in ELA and Math.</p>	<p>BCS will continue to operate as a school that students enjoy coming to everyday. Although an academic rigorous environment, the BCS culture is about experiencing joy while learning. When school is a joyous environment and children are getting their academic, social and emotional needs met, retention becomes natural because students do not want to leave and our families are happy and satisfied with the education that their children are receiving. Besides the retention efforts described for 2018-19, BCS began a more intensive after school program that focused on students in grades 1-5 who were significantly below grade level in ELA and/or math. Groups were small, prescribed and focused on data collected in SY 2017-18 along with initial data from 2018-19 to drive the selection and instruction for these students. BCS also participated in the NYC DOE Learning Partners Program (LPP) with a focus on early childhood literacy in order to increase the capacity of teachers and students by partnering with other schools to share best practices. BCS will continue these initiatives in the 2019-20 school year in order to meet retention targets as families were pleased with student outcomes.</p>
English Language Learners/Multilingual Learners	<p>BCS was a fully inclusive school with a very supportive school culture where all of our ELL students were either in a general education or ICT classroom. In 2018-19, BCS continued to employ a full-time ELL teacher to ensure that children who qualified for services were receiving them. BCS participated in the NYCDOE District Charter Collaborative (DCC) Program to improve its ELL program. In year 2 of this collaborative, the school implemented specific goals for the ELL program which had a major impact on the success of our ELL students based on data that was collected in-house.</p>	<p>For the 2019-20 school year BCS will continue to employ a full-time ELL teacher to ensure that children who qualify for services are receiving them. While BCS has graduated from the NYCDOE District Collaborative Program, the school will continue to utilize and incorporate many of the ideas/structures that were learned/shared in order to continue the growth of our ELL program. A focus on data and tracking the progress of our students drove our work for 2018-19. This allowed administration and teachers to make implications for instruction based on student progress/regress throughout the school year. BCS will continue this process in the 2019-20 school year. BCS will also be translating important school documents in most of the first languages that our families speak so that they are informed as to what is happening within the school in order to feel like they truly belong to the school community.</p>

Students with Disabilities

BCS was a fully inclusive school in 2018-19. BCS has one ICT room on each grade level with the exception of 4th and 5th grade. BCS also had a Special Education Coordinator, a full-time SETSS teacher and social worker. BCS outsourced for speech and occupational therapy services as needed based on Individual Education Plans.

inclusive school as all of our students with IEP's are either in a general education classroom or an Integrated Collaborative Teaching (ICT) classroom, depending on what their IEP requires. In 2019-20 BCS will have one ICT classroom on each grade level. BCS will continue to employ a Special Education Compliance Coordinator and will have a part-time SPED Coordinator on-site. The SPED Coordinator will be responsible for ensuring that the school's Response to Intervention (RTI) program is operating effectively so that children who are "at-risk" get support services and then move forward with an evaluation if deemed necessary. The school will also employ a full-time social worker and will outsource for SETSS, occupational therapy and speech services in order to satisfy the needs of our students with Individual Education Plans. BCS will began a more intensive after school program that focused on students in grades 1-5 who were significantly below grade level in ELA and/or math. 3. Tell your school's story

Charter schools may provide additional information in this section of the Annual Report about their respective teacher and administrator attrition rates as some teacher or administrator departures do not reflect advancement or movement within the charter school networks. Schools may provide additional detail to reflect a teacher’s advancement up the ladder to a leadership position within the network or an administrator’s movement to lead a new network charter school.

4. Charter schools must ensure that all prospective employees receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

Have all employees have been cleared through the NYSED TEACH system?

Yes

5. For perspective or current employees whose clearance has been denied, have you terminated their employment and removed them from the TEACH system?

	Not Applicable

Instructions for Reporting Percent of Uncertified Teachers

The table below is reflective of the information collected through the online portal for compliance with New York State Education Law 2854(3)(a-1) for teaching staff qualifications. Enter the relevant full time equivalent (FTE) count of teachers in each column. For example, a school with 20 full time teachers and 5 half time teachers would have an FTE count of 22.5. If more than one column applies to a particular teacher, please select one column for the FTE count. Please do not include paraprofessionals, such as teacher assistants.

FTE count of uncertified teachers on 6/30/18, and each uncertified teacher should be counted only once.

	FTE Count
1. Total FTE count of uncertified teachers (6-30-19)	6
2. FTE count of uncertified teachers with at least three years of elementary, middle or secondary classroom teaching experience (6-30-19)	2
3. FTE count of uncertified teachers who are tenured or tenure track college faculty (6-30-19)	0
4. FTE count of uncertified teachers with two years of Teach for America experience (6-30-19)	0
5. FTE count of uncertified teachers with exceptional business, professional, artistic, athletic, or military experience (6-30-19)	2
6. FTE count of uncertified teachers who do not fit into any of the prior four categories (6-30-19)	2

FTE Count of All Uncertified Teachers as of 6/30/19 6

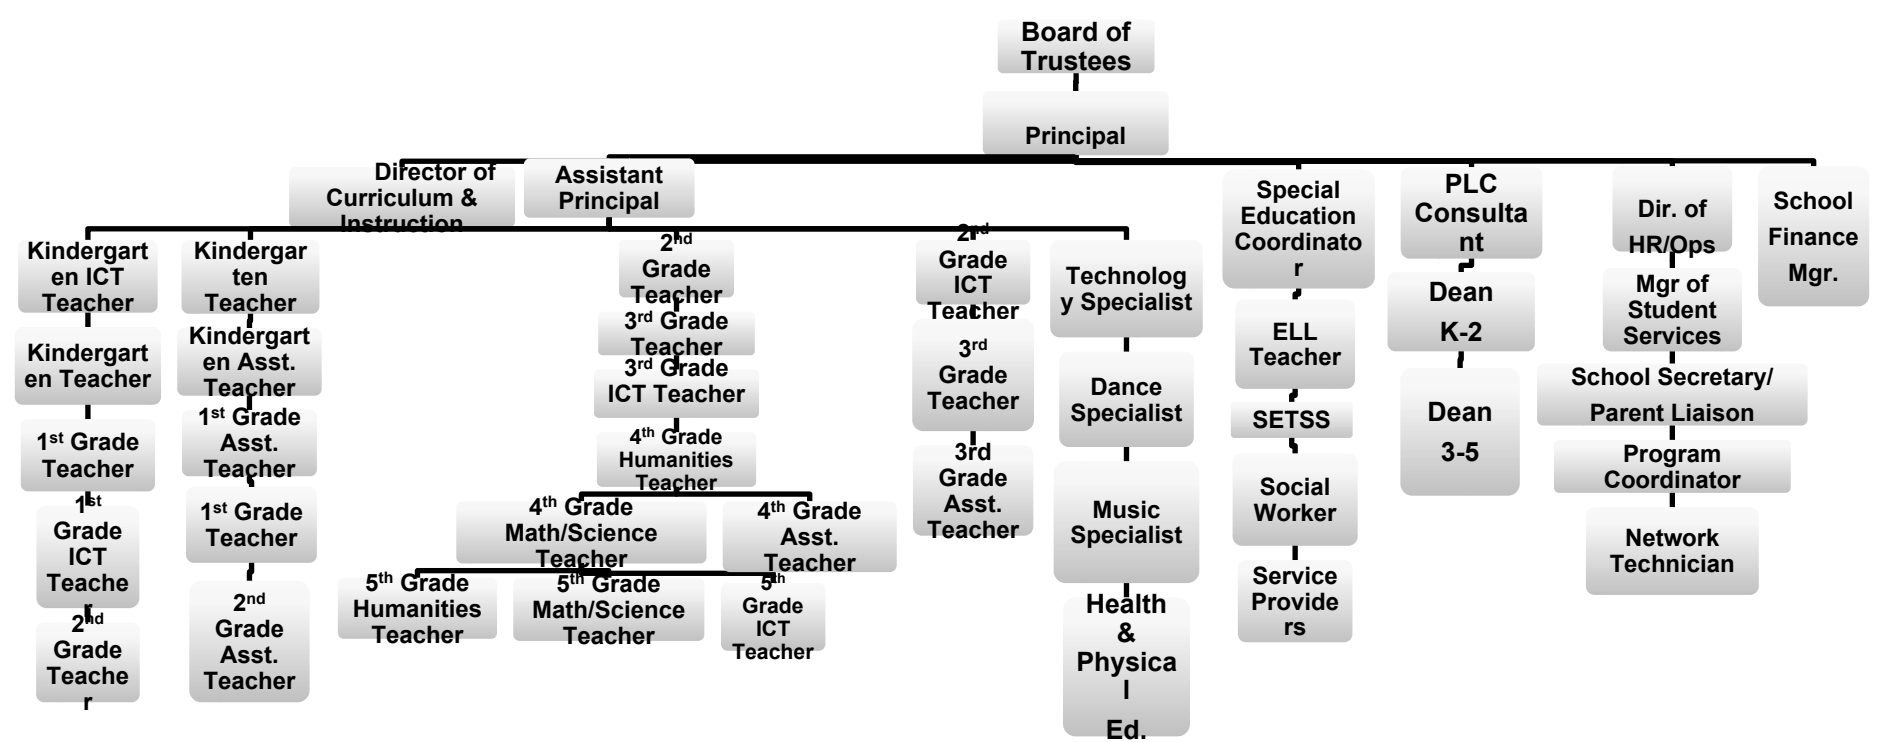

FTE Count of All Certified Teachers as of 6/30/19 16
